Old Business

- There are still 2 openings on this committee.

New Business

- Determined present plan of action for this committee:
 - Before our next meeting, members will review City of Carlisle Parks Master Plan, noting projects that we believe have been completed.
 - Each member will identify at least 3 proposed projects, not yet completed, that they would like to have prioritized for completion.
 - At our next meeting, members will discuss these projects, and prioritize as a group.
 - A list of these prioritized projects will be presented to Carlisle Council at the next possible meeting for their review.
 - After Council has reviewed this list, and prioritized by cost and/or timeframe, we will determine our role in these projects; planning fundraisers to cover, and/or subsidize costs, actual participation in the completion, etc.
- Discussions with the Recreation & Events Committee will be deferred until we have completed the above. We have verified the present members of this committee are:
 - Council Member Lisa Kemper, Council Member Michael Kilpatrick, Council Member Jason Faulkner, City Resident Shawn McAtee, City Resident Kaille Crowe
